XMAS AT NURIOTPA

2022

November 2022

A first Christmas Dinner that was different to any other. Some good meaning "clot" said hey I am sick of sitting in long rows of tables in a very noisy and cramped environment.... So the clot said "if you let me I will cater and cook a traditional Xmas Dinner right at the caravan in Nuriootpa. Strangely most agreed and trustingly allowed it to go ahead.

And what a relaxing and sociable way to all eat together. To quote a member who wrote

" A great dinner on Saturday night, it was so much more relaxing than going out with loads of laughs and activities"

Thanks to all who assisted me on the day and leading up to the day.

Thanks to all the ladies for table set up and Delicious Deserts.

New Visitors.

We welcomed a first venue try out for Paul and Moya Camp. Who fitted in extremely well. Hope to see you again soon.

On a relaxing Friday several members toured the Famous Maggie Beer's Kitchen then on to lunch at the Chocolate Factory.

It was here that Pauline taught us all how to eat Pizza eloquently with a knife and fork

With a knife and fork !!!!!!!

The selection and cutting to a precise sizing.

The perusal stage ensuring all is to plan.

Devourment with tongue lashing to ensure total capture.

Thanks Pauline we all learnt a lot, will try to emulate you later on.

**Merry Christmas to all our Members and friends,
Remember I will be watching you all next year!**

Please do not forget our sponsors.
