Dinner at the Point Turton Tavern

Something tickled their fancy, maybe she was describing how big it was!

THEY SAY A PICTURE CANNOT LIE.

WAS IT ROBERT WHO DID WRONG OR WAS IT Julie's bad directions ?

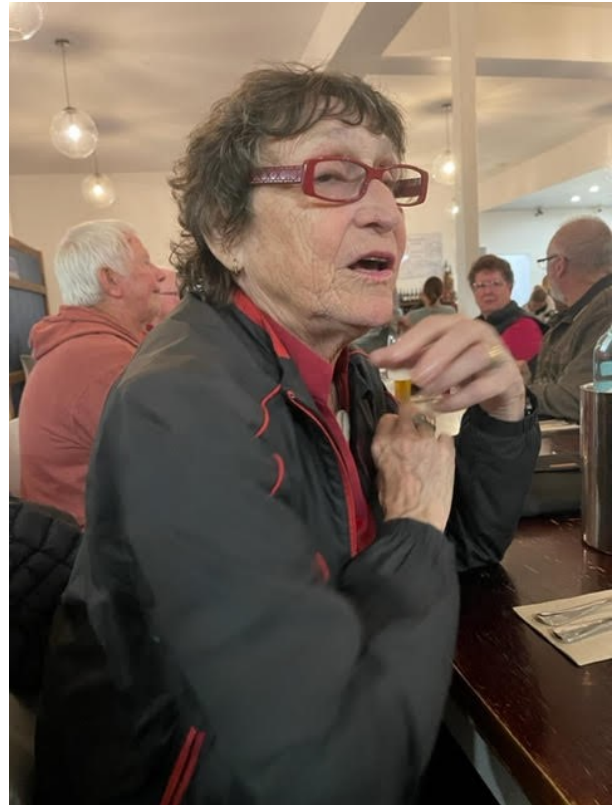

Neither, Julie new when to shout **STOP** , but Robert had already measured for safety.

So a Picture can tell a lie.

Our Presidents Message

Hi Everyone

We are so fortunate to be able to travel freely again. Pt Turton was great and an opportunity to trip down memory lane in Corney Point for me.

Matt has kindly offered to host the AGM and will provide coffee and cake. For catering purposes he needs to know how many members will be attending. Could you please send me an email or text by Wednesday 18th May confirming your attendance or your apology. I hope to see you all on the 25th May at 6pm, 108 Daws Rd Melrose Park.

Matt will provide some additional information about their new site. Please bring warm clothes as it is often very chilly in the sales room at that time of year.

Our winter lunch is on Sunday 24th July at the Largs Pier Hotel. 12.30 start.

We have a few prospective members so please make them welcome as they attend a rally in the coming months.

Thanks to the entire committee as we have all benefitted from their collective wisdom this year.

Ciao, Lyn
